

The Advanced Placement Program® (AP®) by the College Board is an opportunity for academic excellence, acknowledged by universities globally. Established in 1955, the AP® Program provides a platform for students to undertake U.S. university undergraduate-level courses while in high school, thereby earning undergraduate credit, advanced placement, or both.

Key Highlights:

- Recognized by nearly all colleges in the U.S. and Canada.
- Over 700 universities worldwide consider AP Exam scores for admission, university course credits, and placement.
- Participation in AP courses is viewed favorably in the admission process.
- Exams occur annually in the month of May.
- Early registration, preferably in the preceding Fall, is advised for adequate preparation.

2025 AP Exam Eligibility

- Students in any of the categories below are eligible to take AP Exams at the secondary school where they're enrolled or at other AP-authorized schools or test centres:
- Students actively enrolled in secondary school.
Secondary school-level students who are homeschooled, participate in independent study, or attend a virtual school.
Actively enrolled students who may be prepared to take an AP Exam prior to the ninth grade.
- Recent secondary school graduates who need a specific AP Exam for university admission.

Testing Policies

- I acknowledge that I will need to pay the test centre and register online with the College Board by the stated deadline to complete my AP Exam registration and receive an Admission Ticket from the test centre, or I will not be able to test.
- I acknowledge that I have read and agree to test centre policies above, with respect to payment deadline, payment instructions, refunds, and cancellations.

Additional testing policies
